

## LOT'S WIFE

*The Sunday school teacher was describing how Lot's wife looked back and turned into a pillar of salt, when little Jason interrupted, 'My Mommy looked back once, while she was driving,' he announced triumphantly, 'and she turned into a telephone pole!'*

## Leading with care

The team that serves Knox for *Leading with Care*, a name given by our national church, is comprised of Brian Eberts, Ton Van Nieuwkerk, Rev. Paul and me. Our Board of Managers also has done a lot of groundwork. *Leading with Care* is about making sure we conduct ourselves so that the people we serve as well as those being served, are safe. It is also about being sure that our building does not have any unexpected physical risks... i.e. a fire escape plan, First Aid kits etc. Many people realize that police checks to volunteer for any group involving children or vulnerable adults are necessary in today's world, however, most volunteer positions will not need police checks. Insurance companies mandate that we have a committee in place to oversee these conditions, this being the case here at Knox. We need to provide as safe an environment for our people as best we can.

To make it easier for our people to obtain a police check to volunteer in a high risk position, the necessary form

can be obtained from Rev. Paul or me. Complete the personal information (name/address, etc.) so that these forms can be submitted as a group to the OPP under the name of "Knox Volunteers" to be done for FREE. If you choose to volunteer, but not have your name on our list, see one of the committee for details. If you go 'on your own' without a letter from an organization, the OPP has a \$25.00 charge. The list of names from Knox, along with the completed forms, will be submitted to the OPP office in Lindsay in the very near future. The volunteer letter that is given following the check can be used for any volunteer situation you may wish to use it for. We are happy with the interest and response so far.
