

Late last winter I was made chairman of the Board of Managers. I inherited the position from Joe Tennier who had led the group for the previous two years. Joe also was chairman of the committee looking after the church interior, which is one of the most demanding positions. Scott Moore, who is the present vice chairman, is now in charge of the interior committee.

Marc Hiemstra and Carol Perley also left the board after fulfilling their three year stint. On behalf of the board I wish to thank all three for their faithful

and diligent service.

Leah Anderson, Debbi Risebrough and Paul Graham are their replacements.

Don McArthur served as chairman and secretary for three years before Joe and he is still doing yeoman duty on the board.

There are fifteen members on the board and either pastors Paul or Carey Jo attend our meetings which are held on the fourth Monday of the month.

The board is also responsible for the maintenance of the manse. We also take on some social responsibilities such as the

various parade entries, the golf tournament and the trunk and tailgate sale.

In May the board has a spring cleanup day and asks the congregation to help out in this project. I am sad to say that most of the people that turn out are board members and their spouses.

Our next project, for which we need help, is designing and putting together the float for the Christmas parade. If you are interested in helping us in this endeavor or taking part in the parade, please contact any board member.

I would be remiss if I did not mention our treasurer Al Ingram whose experience and knowledge of accounting keeps the whole operation on an even keel.

Phyllis Dobbie records our dreams and plans for the church in her role as secretary.

I feel very privileged to have the opportunity to work with such an energetic and dedicated group. May the Lord continue to bless us in our efforts on behalf of the Knox congregation.

*Your brother in Christ,  
Paul Callaway*

## MOSES AND THE RED SEA

Nine-year-old Joey was asked by his mother what he had learned in Sunday School.

'Well, Mom, our teacher told us how God sent Moses behind enemy lines on a rescue mission to lead the Israelites out of Egypt. When he got to the Red Sea, he had his army build a pontoon bridge and all the people walked across safely. Then he radioed headquarters for reinforcements. They sent bombers to blow up the bridge and all the Israelites were saved.'

'Now, Joey, is that really what your teacher taught you?' his mother asked.

'Well, no, Mom. But, if I told it the way the teacher did, you'd never believe it!'
