As we enter our 149th year, we remember those who built this church — both the building and the congregation. Their faithful service, their faithful gifts to Christ's mission, are a precious heritage for us. At last year's ministry activity fair, we saw how...

- ... Care and Assistance is making gift baskets for our home bound members
- ... New Beginnings offers friendship and support to people who have suffered loss
- ... Sunday School is helping our children get a faithful start in life
- ... The Women's catering ministry provides bereaved families with comfort and support in times of need
- ... Youth Unlimited has been able to use our kitchen and hall to provide a place for fellowship and support for Bobcaygeon and Fenelon Falls teens.
- ... Many other groups work together to help us stay faithful to the call of Jesus Christ

All these efforts are built on the gifts of those who have made and continue to make this congregation their family of faith. You are a vital part of helping these ministries happen. Your generous financial gifts throughout the next year will enable these efforts to continue and grow.

In the new year, people will continue to need the kinds of service found here: a place to hear the gospel preached and to learn God's love for them, a place where they can find friendship in times of loss, where youth can find positive alternatives, where children can be grounded in the unchanging promises of Jesus Christ. In this new year we will continue...

- ... Gathering for worship that connects us to the glory of God
- ... Offering a welcome to community service groups
- ... Being a place where people can come and experience Christ's love

If these ministries are to grow, we will have to commit to support them. Please take time to pray for God's direction in this. Consider the gifts of resources and skills Jesus has given you. Consider the opportunities we have to work together to share his love for his glory. Consider how Jesus is calling you to be part of being faithful in those opportunities.

As you pray, ask God to give you a goal to aim for. In these uncertain times, can you maintain your giving? Has God blessed you so you can increase your giving total? We hope the giving charts attached to this letter can help you measure your goal. You don't have to tell anyone about the goal God gives you, but make it a firm commitment between you and Jesus Christ.

Through God's power and love, and your generosity and commitment, all things are possible.

Sincerely in Christ,
The Stewardship Group
