

We are having a good workshop here. The Aguaruna team is busy each day writing stories for their literacy materials. We've made it to lesson 20 so far. We have a good group, not only of the Aguaruna speakers, but also several others who are learning the primer construction method.

Blessings, carey Jo

CJ & Sandra teaching - Sandra (an LEI trainee) translates for Carey Jo as she teaches the group the basics of primer construction.

AGUARUNA WRITERS

The 5 Aguaruna speakers write lessons for the primer.
